IGORA

IGORA was developed by colourists for colourists and our mission is to empower every one of you to create the most beautiful looks, to explore every aspect of your creativity – and, of course, to reveal your client's individual beauty.

IGORA ROYAL formulas offer amazing true-to-tuft results, up to 100% coverage, incredible colour intensity, and performance you can trust – always.

IGORA ROYAL is the reference for full colour confidence to master every permanent colour service and offers everything you need to become the colourist you want to be.

ROYAL

CHROMA ID

Chroma ID is Schwarzkopf Professional's first lowcommitment mix and tone colour system, for maximum colour intensity with zero compromise to the condition of the hair.

The intermixability of the Bonding Colour Mask assortment allows for 100% customisation and full versatility for Express Colour Neutralisation, Colour Refresh and Colour Play services.

The newly-improved, highly-pigmented formula guarantees maximum pigment availability thanks to the Low Salt Technology, ensuring intense-to-subtle colour results. And with its integrated Fibrebond Technology, Chroma ID enables you to achieve outstanding colour results whilst maintaining and improving the hair quality.

BONDING COLOUR MASKS

Discover Chroma ID Bonding Colour Mask – an intensively caring, semi-permanent mix & tone colour system that refreshes and enhances hair colour with zero damage.
